The Procurement Manager will not disclose or make public any pages of a proposal on which the potential Offeror has stamped or imprinted "proprietary" or "confidential" subject to the following requirements:
- B. Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal.
- C. Confidential data is restricted to:
 - 1. confidential financial information concerning the Offeror's organization;

9. No Obligation

This RFP in no manner obligates the State Treasurer's Office to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Sample Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the

proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. Please see Section II.C.15 for requirements.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a responsive offer as defined in NMSA 1978, § 13-1-83 and 13-1-85.

19. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

20. Change in Contractor Representatives

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

21. Notice of Penalties

The Procurement Code, NMSA 1978, § 13-1-28 through 13-1-199, imposes civil, misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

22. Agency Rights

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

23. Right to Publish

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

24. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the State of New Mexico.

25. Confidentiality

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

This CONTRACT is made and entered into this _____ day of _____, 2017, by and between the _____, hereinafter referred to as the "Agency", and _____, hereinafter referred to as the "Contractor", and is effective as of the date upon which it is approved by the Office of the State Auditor, hereinafter referred to as "State Auditor" and the New Mexico Department of Finance and Administration.

As required by the Audit Rule, Section 2.2.2.1 et seq., NMAC, Contractor agrees to, and shall, inform the Agency of any restriction placed on Contractor by the Office of the State Auditor pursuant to Section 2.2.2.8.E, NMAC, and whether the Contractor is eligible to enter into this contract with the restriction.

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. SCOPE OF WORK

A. The Contractor shall conduct a financial and compliance audit of the following applicable statements and schedules of the Agency for the period from **July 1, 2016 through June 30, 2017:**

1. Basic Financial Statements consisting of the government-wide financial statements, fund financial statements, budgetary comparison statements for the general fund and major special revenue funds (GASB 34, footnote 53), and the notes to the financial statements;
2. Required supplemental information (RSI), if applicable, consisting of budgetary comparison schedules for the general fund and major special revenue fund data presented on a fund, organization, or program structure basis because the budgetary information is not available on the GAAP fund structure basis for those funds (GASB Statement No. 41, Budgetary Comparison Schedules— Perspective Differences an amendment of GASB Statement No. 34) must be audited and included in the auditor's opinion (AAG-SLV 14.52);
3. Supplemental Information (SI) that must be audited and included in the auditor's opinion (AAG-SLV 14.52), if applicable, consisting of:
 - e) Component unit fund financial statements and related combining statements (if there are no separately issued financial statements on the component unit per AAG-SLV 3.20);

- f) Combining financial statements;
 - g) Individual fund budget comparison statements for remaining funds that have an adopted budget, including proprietary funds, that did not appear as basic financial statement budget comparisons for the general fund, major special revenue funds or as RSI as described above; and
 - h) Remaining supplemental information schedules as required by Section 2.2.2.10.A(2)(f) NMAC.
- B. The contractor shall apply certain limited procedures to the following required supplemental information (RSI), if applicable, and report deficiencies in or the omission of required information in accordance with the requirements of AU-C 730.05 to 730.09:
- 1. The Management Discussion and Analysis (MD&A);
 - 2. RSI data required by Statements 25, 27, 43 and 45 regarding pension plans and post-employment healthcare plans administered by defined benefit pension plans; and
 - 3. Schedules derived from asset management systems (GASB 34, paragraphs 132 to 133).
- C. The audit shall be conducted in accordance with auditing standards generally accepted in the United States of America, Government Auditing Standards, OMB Circular A133, and Requirements for Contracting and Conducting Governmental Audits (Section 2.2.2.1, et seq., NMAC).

2. DELIVERY AND REPRODUCTION

- A. In order to meet the delivery terms of this Contract, the Contractor shall deliver the following documents to the State Auditor no later than **sixty (60) days** after the Financial Control Division of the Department of Finance and Administration (FCD of DFA) provides the State Auditor with notice that the Agency's books and records are ready and available for audit, and in accordance with Section 2.2.2.9, NMAC:
- 1. an organized, bound and paginated hard copy of the Agency's audit report for review;
 - 2. a copy of the signed management representation letter provided to the IPA by the Agency as required by AU-C580;
 - 3. a list of the passed adjustments required by AU-C 580.14; and
 - 4. (4) a copy of the completed State Auditor Report Review Guide available at www.osanm.org.

- B. In accordance with FCD requirements, the Agency, with the help of the Contractor, shall identify a schedule of audit deliverables and agreed-to milestones for the audit to ensure that the Agency's books and records are ready and available for audit and the Contractor delivers services on time. The deadline of sixty days shall be based on the schedule of audit deliverables and agreed upon milestones; however, the deadline **shall not extend beyond November 1, 2017**. This requirement does not prevent the Contractor from performing interim audit work prior to receipt of the DFA notice of agency preparedness.
- C. Reports postmarked by the Agency's due date will be considered received by the due date for purposes of 2.2.2.9, NMAC. Unfinished or excessively deficient reports will not satisfy this requirement; such reports will be rejected and returned to the Contractor and the State Auditor may take action in accordance with Section 2.2.2.13.C, NMAC. If copies of the engagement letter, management representation letter, list of past adjustments and the completed Report Review Guide are not received by the State Auditor with the audit report or prior to submittal of the audit report, the report will not be considered submitted to the State Auditor.
- D. As soon as the Contractor becomes aware that circumstances exist that will make the Agency's audit report late, the Contractor shall immediately provide written notification of the situation to the State Auditor. The notification shall include an explanation regarding why the audit report will be late, when the IPA expects to submit the report and a concurring signature by the Agency. The Agency's oversight agency should also be notified, but confidential audit information shall be omitted from that notification.
- E. Pursuant to Section 2.2.2.8.Q, NMAC, the Contractor shall prepare a written and dated engagement letter which identifies the specific responsibilities of the Contractor and the Agency. The Contractor shall submit to the State Auditor an electronic copy of the signed and dated engagement letter and a list of client prepared documents with expected delivery dates within ten (10) days of the entrance conference.
- F. After its review of the audit report pursuant to Section 2.2.2.13, NMAC, the State Auditor will authorize the Contractor to print and submit the final audit report. Within two business days from the date of the authorization to print and submit the final audit report, the Contractor shall provide the State Auditor with **TWO** copies of the report and an electronic version of the audit report, in PDF format. After the State Auditor officially releases the audit report by issuance of a release letter, the Contractor shall deliver ten (10) copies of the audit report to the Agency. Every member of the Agency's governing authority shall receive a copy of the report.
- G. The Agency, upon delivery of its audit report, shall submit the required copies of the data collection form, audit report and corrective action plan to the federal clearinghouse designated by the Office of Management and Budget and each federal awarding agency if the schedule of findings and questioned costs disclose audit findings directly related to federal awards.

3. COMPENSATION

- A. The total amount payable by the Agency to the Contractor under this agreement, including New Mexico gross receipts tax, shall not exceed _____.
- B. Contractor agrees not to, and shall not, perform any services in furtherance of this contract prior to approval by the State Auditor. In accordance with Section 12-6-14(A), NMSA, 1978 and Section 2.2.2.8.N(1), NMAC, Contractor acknowledges and agrees that it will not be entitled to payment or compensation for any services performed by Contractor pursuant to this contract prior to approval by the State Auditor.
- C. Total Compensation will consist of the following:

SERVICES	AMOUNTS
(1) Financial statement audit	
(2) Federal single audit	
(3) Financial statement preparation	
(4) Other non-audit services, such as depreciation schedule updates	
(5) Other (i.e., foundations or other component units, specifically identified)	
Gross Receipts Tax =	
Total Yearly Compensation =	

The Agency shall pay the Contractor the New Mexico gross receipts tax levied on the amounts payable under this agreement and invoiced by the Contractor.

- D. Pursuant to Section 12-6-14, NMSA 1978 and Section 2.2.2.8.N, NMAC, the State Auditor may authorize progress payments to the Contractor by the Agency; provided that the authorization is based upon evidence of the percentage of audit work completed as of the date of the request for partial payment. Progress payments up to 69% do not require State Auditor approval, provided that the Agency certifies receipt of services. The Agency must monitor audit progress and make progress payments only up to the percentage that the audit is completed prior to making the 69% payment. Progress payments from 70% to 90% require State Auditor approval after being approved by the Agency. If requested by the State Auditor, the Agency shall provide a copy of the approved progress billings. The State Auditor may allow only the first 50% of progress payments to be made without State Auditor approval if the Contractor's previous audits were submitted after the due date. Final payment for services rendered by the Contractor shall not be made until a determination and written finding is made by the State Auditor in the release letter that the audit has

been made in a competent manner in accordance with the provisions of this Contract and applicable rules of the State Auditor.

4. TERM

- A. THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE STATE AUDITOR AND THE NEW MEXICO DEPARTMENT OF FINANCE AND ADMINISTRATION. Unless terminated pursuant to Paragraphs 5 or 19, *infra*, this Contract shall terminate on **June 30, 2018**.
- B. This Contract may be extended for two successive one-year terms at the same price, terms and conditions as stated in the original proposal by mutual agreement of both parties and approval of the State Auditor and the Department of Finance and Administration pursuant to Section 2.2.2.8.G(4), NMAC.

5. TERMINATION, BREACH AND REMEDIES

- A. This Contract may be terminated, without cause, by either of the parties upon written notice delivered to the other party at least ten (10) days prior to the intended date of termination. This Contract may be terminated immediately by either of the parties upon written notice delivered to the other party if a material breach of any of the terms of this Contract occurs. Unjustified failure to deliver the audit report in accordance with Paragraph 2, *supra*, shall constitute a material breach of this Contract. The Agency may immediately terminate this Contract upon written notice to the Contractor pursuant to Paragraph 19, *infra*. Pursuant to Section 2.2.2.8.S, NMAC, the State Auditor also may immediately terminate this Contract upon written notice to the Contractor after determining that the audit has been unduly delayed, or for any other reason. By termination pursuant to this Paragraph, neither party may nullify obligations already incurred for performance or failure to perform prior to the date of termination. **THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE OTHER LEGAL RIGHTS AND REMEDIES AFFORDED THE STATE CAUSED BY THE CONTRACTOR'S DEFAULT OR BREACH OF THIS CONTRACT.**
- B. If the Agency terminates this Contract under this paragraph, the Contractor shall be entitled to compensation for work performed prior to termination in the amount of earned, but not yet paid, progress payments, if any, that the State Auditor has authorized as provided in Paragraph 3(E), *supra*. If the Contractor terminates this Contract under this paragraph, the Contractor shall repay to the Agency the full amount of any progress payments for work performed under the terms of this Contract.
- C. If the Agency or the Contractor terminates this Contract pursuant to this paragraph, the party that terminates the Contract shall immediately send the State Auditor and the Department of Finance and Administration written notice of the termination.
- D. The State Auditor may disqualify the Contractor from eligibility to contract for audit services with the State of New Mexico if the Contractor knowingly makes false statements, false assurances or false disclosures under this Contract. The State

Auditor on behalf of the Agency or the Agency may bring a civil action for damages or any other relief against a Contractor for a material breach of this Contract.

6. STATUS OF CONTRACTOR

The Contractor and its agents and employees are independent contractors performing professional services for the Agency and are not employees of the Agency. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of state vehicles or any other benefits afforded to employees of the Agency as a result of this Contract. The Contractor agrees not to purport to bind the State of New Mexico to any obligation not assumed under this Contract unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

7. ASSIGNMENT

The Contractor shall not assign or transfer any interest in this Contract or assign any claims for money due or to become due under this Contract.

9. RECORDS AND AUDIT

The Contractor shall maintain detailed time records that indicate the date, time and nature of services rendered during the term of this Contract. The Contractor shall retain the records for a period of at least five (5) years from the date of final payment under this contract. The records shall be subject to inspection by the Agency and the State Auditor. The Agency and the State Auditor shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the Agency or the State Auditor on behalf of the Agency to recover excessive or illegal payments.

10. RELEASE

The Contractor, upon receiving final payment of the amounts due under the Contract, releases the State Auditor, the Agency, its officers and employees and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Contract. This paragraph does not release the Contractor from any liabilities, claims or obligations whatsoever arising from or under this Contract.

11. CONFIDENTIALITY

All information provided to or developed by the Contractor from any source whatsoever in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor, except in accordance with applicable standards, without the prior written approval of the Agency and the State Auditor.

12. PRODUCT OF SERVICES; COPYRIGHT AND REPORT USE

Nothing developed or produced, in whole or in part, by the Contractor under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. The Agency and the State Auditor may post the audited financial statements on their respective websites once it is publicly released by the State Auditor. The Contractor agrees that the FCD of DFA is free to use the audited financial statements in the statewide Comprehensive Annual Financial Report (CAFR) and that the Contractor's audit report may be relied upon

during the audit of the statewide CAFR, if applicable. However DFA should not be providing the draft audit report including opinion letters or findings.

13. CONFLICT OF INTEREST

The Contractor warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under this Contract. The Contractor certifies that the requirements of the Governmental Conduct Act, Section 10-16-1, et seq., NMSA 1978, regarding contracting with a public officer, state employee or former state employee have been followed as required by the applicable professional standards.

14. INDEPENDENCE

The Contractor affirms and represents its personal, external and organizational independence from the Agency in accordance with the Government Auditing Standards 2011 Revision, issued by the Comptroller General of the United States, and Section 2.2.2.8.M, NMAC. The Contractor shall immediately notify the State Auditor and the Agency in writing if any impairment to the Contractor's independence occurs or may occur during the period of this Contract.

15. AMENDMENT

This Contract shall not be altered, changed or amended except by prior written agreement of the parties and prior written approval of the State Auditor. Any amendments to this Contract shall comply with the Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978.

16. MERGER

This Contract incorporates all of the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof. No prior agreement or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Contract. Contractor and Agency shall enter into and execute an engagement letter pursuant to Section 2.2.2.8.Q, NMAC, consistent with Generally Accepted Auditing Standards (GAGAS). **The engagement letter and any associated documentation included with or referenced in the engagement letter shall not be interpreted to amend this contract. Conflicts between the engagement letter and this contract are governed by this contract, and shall be resolved accordingly.**

17. APPLICABLE LAW

The laws of the State of New Mexico shall govern this Contract. By execution of this Contract, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Contract.

18. AGENCY BOOKS AND RECORDS

The Agency is responsible for maintaining control of all books and records at all times and the Contractor shall not remove any books and records from the Agency's possession for any reason.

19. APPROPRIATIONS

The terms of this Contract are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Contract. If sufficient appropriations and authorization are not made by the Legislature, this Contract shall terminate upon written notice being given by the Agency to the Contractor. This section of the Contract does not supersede the Agency's requirement to have an annual audit pursuant to Section 12-6-3(A), NMSA 1978.

20. PENALTIES FOR VIOLATION OF LAW

The Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

21. EQUAL OPPORTUNITY COMPLIANCE

The Contractor agrees to abide by all Federal and State laws, rules and regulations, and executive orders of the Governor of the State of New Mexico pertaining to equal employment opportunity. In accordance with all such laws, rules, regulations and orders, the Contractor assures that no person in the United States shall, on the grounds of race, age, religion, color, national origin, ancestry, sex, physical or mental handicap or serious medical condition, spousal affiliation, sexual orientation or gender identity be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If the Contractor is found not to be in compliance with these requirements during the life of this Contract, the Contractor agrees to take appropriate steps to correct these deficiencies.

22. WORKING PAPERS

- A. The Contractor shall retain its working papers of the Agency's audit conducted pursuant to this Contract for a period of at least five (5) years from the date shown on the opinion letter of the audit report, or longer if requested by the federal cognizant agency for audit, oversight agency for audit, pass through-entity or the State Auditor. The State Auditor shall have access to the working papers at the State Auditor's discretion. When requested by the State Auditor, the Contractor shall deliver the original or clear, legible copies of all working papers to the State Auditor.

- B. The working papers of a predecessor Contractor are to be made available to a successor Contractor in accordance with AU-C 210.11 and 210.12. Any costs incurred are to be borne by the requestor Contractor.

23. DESIGNATED ON-SITE STAFF

The Contractor's on-site individual auditor responsible for supervision of work and completion of the audit is **November 1, 2017**. The Contractor shall notify the Agency and the State Auditor in writing of any changes in staff assigned to perform the audit.

24. INVALID TERM OR CONDITION

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected.

25. EMPLOYEE PAY EQUITY REPORTING

- A. The Contractor agrees if it has ten (10) or more New Mexico employees OR eight (8) or more employees in the same job classification, at any time during the term of this Contract, to complete and submit the PE10-249 form on the annual anniversary of the initial report submittal for contracts up to one (1) year in duration. If the Contractor has (250) or more employees the Contractor must complete and submit the PE250 form on the annual anniversary of the initial report submittal for contracts up to one (1) year in duration. For contracts that are extended beyond one (1) calendar year, the Contractor also agrees to complete and submit the PE10-249 or PE250 form, whichever is applicable, within thirty (30) days of the annual contract anniversary date of the initial submittal date or, if more than 180 days has elapsed since submittal of the last report, at the completion of the contract, whichever comes first. Should the Contractor not meet the size requirement for reporting at contract award but subsequently grows such that they meet or exceed the size requirement for reporting, the Contractor agrees to provide the required report within ninety (90 days) of meeting or exceeding the size requirement. That submittal date shall serve as the basis for submittals required thereafter. The Contractor also agrees to levy this requirement on any subcontractor(s) performing more than 10% of the dollar value of this contract if said subcontractor(s) meets, or grows to meet, the stated employee size thresholds during the term of the contract. The Contractor further agrees that, should one or more subcontractor not meet the size requirement for reporting at contract award but subsequently grows such that they meet or exceed the size requirement for reporting, the Contractor will submit the required report, for each such subcontractor, within ninety (90 days) of that subcontractor meeting or exceeding the size requirement. Subsequent report submittals, on behalf of each such subcontractor, shall be due on the annual anniversary of the initial report submittal. The Contractor shall submit the required form(s) to the State Purchasing Division of the General Services Department, and other departments as may be determined, on behalf of the applicable subcontractor(s) in accordance with the schedule contained in this paragraph. The Contractor acknowledges that this subcontractor requirement applies even though contractor itself may not meet the size requirement for reporting and be required to report itself.
- B. Notwithstanding the foregoing, if this Contract was procured pursuant to a solicitation, and if Contractor has already submitted the required report accompanying their response to such solicitation, the report does not need to be re-submitted with this Agreement.
